Dear Emily,

Thank-you for helping Room 3 surf because I really needed you out in the tough waves.

Emily my name is Laura I told you my name but you probably don't remember me. I was in the last group. I really appreciated you coming because it was really fun. When I tumbled off the surf board you came and helped me. I am 3 in luck because my family just bought a surf board.

I got up twice for about 5 seconds.  
So thank-you,  
yours sincerely Laura
